Entertainment

The following slides are the things I would like to do while I stay in Chicago.

Chicago Blackhawks

This is one of the main reasons I want to go to Chicago, the Chicago Blackhawks are my favorite NHL team so I would have to go watch a game. If I could choose where I would sit I would definitely sit right behind the goalie, front row, on home side. This would be my number one thing to go to.

Chicago Cubs

Even though the Chicago Cubs are not my favorite I would still go to a game but they would have to be playing the St. Louis Cardinals, so I could cheer for St. Louis instead. I would want to sit in the 11th row on the opposite side of the home base.

Chicago Bulls

I would also like to see a Chicago Bulls game (yes I know your probably annoyed with all the sports but bare with me) I would prefer to go when the Cavaliers play so I can cheer for LeBron James but any time would be fine.

Chicago Bears

I would also like to go see the Chicago Bears play. I don't really care who they play but I would sit on the left side of the field at the 65 yard line, in the front row.

Oak Street Beach

I also want to go to Oak Street Beach so I could, relax, tan and swim.

Lincoln Park Zoo

I love to go to zoos and look at all the neat, beautiful, scary, weird animals so I thought it would be a fun idea to go here.

John Hancock Center

I want to go to the John Hancock Center so I can eat in it because it is so high up and I can look out at Lake Michigan while I eat. It is super high up and the view would be pretty cool.

330 North Wabash

The reason I would want to go here is just to look around because it seems really fancy.

Shopping

One day I would just go shopping the whole day to wind down from everything.
